## BRADLEY'S CURRENCY PLATFORM.

"I am opposed to the free and unlimited coinage of silver, believing it would destroy all National property. The gold dollar is the best dollar, and I am in favor of making every other dollar equivalent to it in value. I am the friend of silver, and believe it can be best protected by holding its issue in such bonds as will insure its parity with gold as a circulating medium."—W. O. BRADLEY.

Up to Saturday evening fourteen Kentucky counties had held their Conventions. Nine instructed for BRADLEY and five for McKINLEY. In these counties Governor Bradley leads Major McKINLEY by 131 votes.

The State Board of Equalization, which, by the way, is composed wholly of Democrats, has raised the assessment of Kenton county 15 per cent. Last year the increase was only 3 per cent.

The defalcation of Cashier WILLIAM M. SHIPP of the Midway Bank is now browsing around the \$75,000 mark. Although several attempts have been made, no one connected with the unfortunate Bank has been able to "pump" SHIPP.

FOURTEEN hundred men employed in the Shipyard of WHEELER & Co. at West Bay City, Mich., struck because they were paid in checks. As the checks of the firm are duly honored by the banks, it looks as though these Michiganders ought to be paid off in 50-cent silver dollars.

General  
Debility

Caused by overwork, overstudy, overcare, old age, weakness or female infirmities, is very distressing. As a tonic and strengthener try BROWN'S IRON BITTERS.

ALTHOUGH The Ashland News has abandoned the afternoon field and returned to morning publication, it refuses to return to its former politics.

AT LANCASTER JOHN SHANKS was jailed for one hundred days for stealing one dozen lead pencils. JOHN ought to have known better. If he had stolen one hundred thousand dollars a trial of about one dozen days would have squared him with the Judge, the Jury and the Law.

GOVERNOR BRADLEY doesn't believe in using the people's money to satisfy mere sentiment. He vetoed the bill giving Mrs. MARY C. BENNETT over \$1,500 out of the Public Treasury as salary of the late Judge BENNETT between the date of his death and the date that his successor qualified.

Millinery Opening Wednesday, Thursday and Friday at the Bee Hive.

Mrs. L. V. Davis has returned from New York, and as usual she has all the correct styles in Millinery which she will display on Thursday and Friday, April 24 and 25.

The books of the Limestone Building Association are now open for subscription to the Fourteenth Series. Take stock in a good 6 1/2 per cent. investment. This is an easy way to buy a home and stop paying rent. Call on H. C. Sharp, James E. Threlkeld or any of the Directors.

All last winter Mr. George A. Mills of Lebanon, Conn., was badly afflicted with rheumatism. At times it was so severe that he could not stand up straight, but was drawn over on one side. "I tried different remedies without receiving relief," he says, "until about six months ago I bought a bottle of Chamberlain's Pain Balm. After using it for three days my rheumatism was gone and has not returned since." For sale by J. James Wood, Druggist.

Centuries ago, people used to fear what they called the pestilence. "Black Death" was the most terrible thing in the world to them. They feared it as people now fear the Cholera and Yellow Fever. And yet there is a thing that causes more deaths than any of these. It is so common that nine-tenths of all the sickness in the world is traceable to it. It is more of a simple, common thing than constipation. It makes people listless, causes dizziness, headache, loss of appetite, loss of sleep, foul breath and distress after eating. The little help needed is furnished by Dr. Pierce's Pleasant Pellets. One pill is gentle laxative and two a mild cathartic. Once used, always in favor. If you are careful as to how to let an unscrupulous druggist sell you something on which he makes more money, it is your own fault if you do not get well. Be sure and get Dr. Pierce's Pleasant Pellets.

## ALMOST ESCAPED.

Desperate Prisoners at Lancaster, Ky., Caught in the Nick of Time.  
LANCASTER, Ky., March 31.—There are eight men in jail here, and six of the eight have been convicted—four for horse stealing and two for murder—and two that have not been tried yet. The jailer has been letting them stay in the hall of the jail, and on Saturday night they cut the iron bolts from the iron sheeting of the floor, and had almost cut a place through the large stones under the iron sheeting large enough to make their escape. Robert Ham, who has been convicted for horse stealing, called the jailer in Sunday and gave the prisoners away. The ringleaders are thought to be Shelby Nunn, sentenced for 21 years for murder; Lee Floyd, murderer, for life, and George Stepling, horse stealing, ten years.

## AN EXTRA SESSION.

Not Improbable That Gov. Bradley Will Call One.

FRANKFORT, Ky., March 31.—In view of the strong probability of an extra session of the legislature the future movements of Wood Dunlap, who was seated in place of Kaufman, but refused to qualify, are interesting. Mr. Dunlap says he will qualify and take his seat should the legislature be reconvened, as now seems almost inevitable, and his ground for doing so is that he would be able to accomplish something for his constituency, which would not have been the case owing to the late hour at which he was seated the last session. With republicans elected in places of James, Walton, Neil and Landis, and a democrat in place of Weissinger, the republicans will then have a majority of one on joint ballot.

## LARGE HAILSTONES.

Chunks of Ice as Big as Hen's Eggs Fall at McKinney, Ky.

McKINNEY, Ky., March 31.—The most terrible thunder, rain and hailstorm that has visited this place for many years raged here Sunday morning. Chunks of ice as large as hen's eggs fell, shivering window glass and pelting exposed stock severely. Green river and Hanging Fork were soon out of their banks and hundreds of panels of fence were swept away.

Almost a small river flowed through King's Mountain tunnel, on the C. & S. railroad, seven miles south of here, and a concentration of the section men at that place was necessary to prevent a blockade of the drift.

## SUSPECTED.

Ex-Convict Strong Arrested and Jailed at Akron.

He is Supposed to Be the Murderer of Mr. and Mrs. Stone at Tallmadge, O.

It is Feared That Strong May Be Lynched—Stillson, the Servant, Still Alive, But Can Not Recover—Emma Stone is in a Critical Condition.

AKRON, O., March 31.—Akron was but little less excited Monday than the neighboring hamlet of Tallmadge where the butchery of the Stone family occurred Sunday morning. At Tallmadge all business was practically suspended Monday and the people gathered at street corners to discuss the terrible event. Stillson, the servant of the Stone family, is still alive but can not possibly recover. Emma Stone is in a very critical condition, but Hattie has improved considerably and her injuries may not result fatally. Marshal Mason, of this city, evidently has accumulated enough evidence to fasten the crime on ex-convict Strong. The police, assisted by detectives from Cleveland, are industriously searching for him.

When captured the question will present itself as to where will be a safe place of incarceration. If taken near Tallmadge he would be lynched without ceremony, while in Akron the lynch sentiment is well enough pronounced to make his presence here very dangerous. Eva Stone, another daughter of the afflicted family, who was not accounted for in Sunday night's dispatches is a trained nurse, residing at 454 Prospect street, Cleveland. She was at the old homestead Monday assisting the police by giving them all the details of her father's action against Strong, of the latter's threats of vengeance, his character and other details which will probably fasten the crime on Strong.

AKRON, O., March 31.—Anson B. Strong was arrested at Ravenna Monday afternoon and arrived in this city Monday evening in custody of the officers. He was taken to the city prison, where he was placed under a guard of police. A great crowd gathered outside the prison, and as a matter of precaution Mayor Harper ordered Battery F, First regiment O. L. A., which was drilling in the adjoining armory, to remain under arms all night. Strong refuses to say anything except that he is entirely guiltless of the murder, and that he knew absolutely nothing of the affair until arrested by the officers.

## YOUNG DYGART.

Captured in Cuba by the Spaniards, Will Probably be Released and Sent Home.  
WASHINGTON, March 31.—Gen. Weyler cabled to the Spanish minister Monday that the case of young Walter G. Dygart, who was captured near Guines, February 22, is under investigation. When Dygart was captured by Spanish officers, he was wandering helplessly about in the interior trying to find a band of insurgents which he wanted to join. The Spanish think he was led by boyish enthusiasm, and as he had not accomplished his purpose they are disposed to release him and send him home with a warning to keep out of affairs which do not concern him.

## Destructive Cyclone.

RICHMOND, Va., March 31.—Great destruction of property from the cyclone and heavy rain in southwest Virginia Sunday afternoon is reported. Near Rural Retreat, the wind swept whole tracts of timber land clean, blew down barns and scattered fences. The depot at Gate City, Scott county, was struck by lightning and burned down, and in that vicinity two women were drowned. Several railroad bridges have been swept away.

## Excitement in Dongola.

CAIRO, March 31.—A dispatch from Wady Halfa says that the news of the southward advance of the Egyptians and British troops has caused much excitement in Dongola. The noted Dervishes, Emin Opeian and Azreki, have gone to Suarda with reinforcements of cavalry and camelry, and it is likely that they will threaten the Egyptian line of communication. Dervish reinforcements are gathering southeast of Dongola.

ALTON, Ill., March 31.—Just before daylight Monday morning Mr. Abraham Scott, a resident of Upper Alton, was awakened by some one prowling in his bedroom.
